Art Director | Senior 3D & Visual Designer

+98 930 918 6084 aminxdesign@gmail.com LinkedIn Behance Dribbble Instagram /aminxdesign

Innovative Senior Visual Designer and 3D Artist with a proven track record of developing high-impact brand identities, cinematic campaigns, and immersive visual narratives. Specialized in blending modern, high-tech aesthetics with strategic branding through advanced workflows, utilizing Cinema 4D, Redshift, and AI-integrated pipelines. Adept at driving end-to-end creative execution and managing independent design initiatives. Passionate about pushing creative boundaries and leveraging technical expertise to step into Art Direction roles within Web3 ecosystems and interactive 3D environments.

Experience

Nobitex

Jul 2024 — Present
Full-time · Tehran

Senior 3D Artist & Visual Designer

Accelerated creative production by integrating custom AI workflows and generative tools, successfully delivering 30+ high-impact marketing campaigns for a crypto platform serving 12M+ users.

Designed and rendered 100+ photorealistic 3D visuals (using Cinema 4D & Redshift) to boost user engagement across digital content channels.

Art-directed visual storytelling frameworks, collaborating with cross-functional teams to bridge the gap between complex Web3 concepts and accessible creative design.

AxD Studio

Mar 2018 — Present
Freelance

Art Director & Visual Designer

Led Art Direction and 3D design for diverse international clients, delivering premium visual content that elevated brand identities.

Executed end-to-end creative projects encompassing 3D modeling, motion graphics, and UI design; delivered brand identity systems and 3D campaign visuals.

Admoon Agency — Brand Identity Redesign · Sib App — 3D Brand Re-creation · Dove, Unilever — 3D Motion Teaser · Wood & Art House — 3D Visual Design

Bitpin

May 2023 — Jun 2024
Full-time

3D Artist & Visual Designer

Spearheaded the 3D design and creative execution of the “Pinfinity” campaign, centered on the “One Bitcoin for One Person” concept, driving user acquisition in the competitive crypto market.

Developed engaging visual content and educational marketing materials (including “Dominance” magazine and eBooks) tailored for Web3 audiences.

Collaborated with the product team to refine brand identity and visual design systems.

Milli

Dec 2023 — Jun 2024
Freelance · Tehran
